Education

Msg Sgkm Collage of Arts, Science, and Commerce

BSc.IT

Informational Technology

Bachelor of Science in Information Technology (B.Sc. IT) from MSG SGKM College of Arts, Science, and Commerce. Developed a strong foundation in software development, web technologies, and information systems. Gained practical experience through academic projects and coursework that emphasized problem-solving, teamwork, and technical efficiency.

Projects

Netflix Clone

Oct 2025

Built a Netflix-style web app using **React.js** that fetches and displays real-time movie data through an API. Designed an engaging, responsive interface that allows users to browse movies by category, view trending content, and enjoy a smooth, app-like experience. Focused on creating a clean layout, efficient API calls, and a visually appealing user experience that mirrors a real streaming platform.
